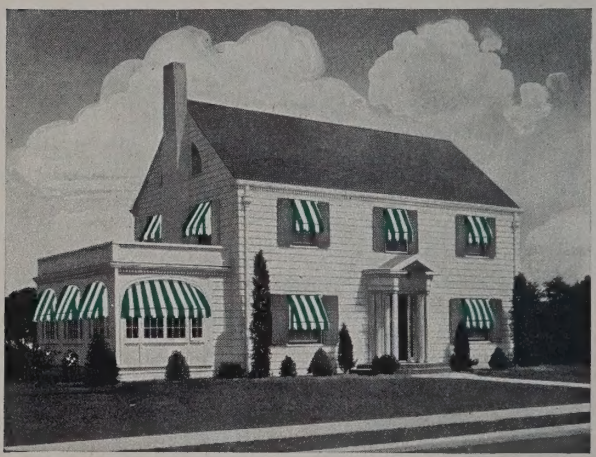
Gulf Stream Brand Painted Awning Material

is made on eight-ounce U. S. Army Duck. Only the best colors obtainable are used in this brand, which assure the utmost in brilliancy and withstand exposure to sun and rain with a minimum degree of change in shade. Pliability, which adds to the life of an awning, together with richness of color are combined in *GULF STREAM* Brand.



The variety of *GULF STREAM* Patterns and colors is very diversified. You are sure to find in BOYLE'S Sample Books just the combination which not only makes useful awnings but will also enhance the beauty of any home or building.

Always specify that your Awnings be made of

BOYLE'S Material
